

# Physician Practice Compliance Conference

**OCTOBER 17–19, 2010**

Philadelphia, PA | Doubletree Hotel Philadelphia

## WHY YOU SHOULD ATTEND

Physicians, compliance officers, coders, and managers will learn to manage an effective compliance program. Designed with networking in mind, the conference provides many opportunities for choosing breakout sessions covering topics of interest for all. Participants will learn about compliance program development and management as it relates to physician practices; current government initiatives in the field of health care compliance specific to physicians and their group practices; correct documentation, billing and coding practices for physicians; and best practices utilized in physician practices.
